Level 1 Startup Dialogue:

Spud

Hi, my name is Spud. I'm an alien imprisoned here on Astro Starbin where I accidentally crash landed here on a discovery mission to a planet called Earth.

King Bukac, ruler of Astro Starbin, is accusing me of attempting to take over his position as King. I promise you I am innocent. Can you help me escape?

Guard:

I believe you Spud. King Bukac doesn't like visitors from other planets. He thinks everyone is out for his job.

I'll help you escape, but you have to promise not to tell anyone!

To get started, look for glowing objects. There is a puzzle in this room you need to solve. Keep an eye out for any clues and good luck!
